

HOW DOES KID CONNECTION WORK?

HOW DO I REGISTER?

- 1) This is not a drop off program you need to call the Parks & Recreation office to register your child(ren).
- 2) You can sign your child up for single days or the full week. Each week has a different theme. Space is limited to 30 spots. You can choose to wait to sign up for later dates, but you also risk the chance of that day/week being full.
- 3) The one time per child (non-refundable) fee of \$20/prior to June 1st - \$25 after June 1st must be paid at time of registration. Please be sure all your emergency, medical and e-mail is current.
- 4) Once you have registered you will be added to a roster for Kid Connection and all contact and medical information will be available on site.
- 5) We do not keep any credit card information on file. It is destroyed once it has been run for a transaction; therefore, you must submit your credit card (MasterCard or Visa) information each time you make payment with a credit card.
